REACH REGISTRATIONS

AF&Co. endeavors to support its clients needs. REACH registration is one such important attention demonstrating to our clients that our leadership in supplying Egypt's aromatics requires our proactive involvement in the continuously changing landscape of international regulatory obligations. AF&Co. is undoubtedly the only Egyptian company to have registered 7 products to this day under REACH — while acting as Lead or Co-Lead Registrants for a number of them. AF&Co. is proceeding with UK-REACH registration as will be needed by the time of the British implementation of the new regulation. Our clients require solutions and preparedness. AF&Co. is here to provide just that.
